The Massachusetts Division of Fisheries & Wildlife utilizes agency personnel and trained volunteer instructors to schedule and conduct Hunter Education courses throughout the Commonwealth. All volunteer instructors are certified through the MassWildlife Hunter Education Program and are considered agents of the Commonwealth when conducting these courses.

A primary purpose of the Massachusetts Hunter Education Program is to teach safe, ethical and responsible handling of sporting firearms. All firearms used for training or demonstration purposes in the program are either supplied or approved by the Massachusetts Division of Fisheries & Wildlife. Furthermore, MassWildlife can supply firearms intended for training that are marked "Non-Firing" for instruction at any facility. In addition, program policy dictates that **NO LIVE AMMUNITION IS ALLOWED IN THE CLASSROOM AT ANY TIME AT ANY COURSE.**

Massachusetts General Laws Chapter 269, Section 10(j), requires your approval in writing to allow a civilian to enter school grounds with a firearm. Your signature below will satisfy this requirement.
